

# ILM Project Management pathway

## Empowering successful project delivery

Project management models are great tools for defining systems and processes, but that is only one side of the story. It also takes leadership skills to deliver successful projects.

Our experts combined the best of both worlds: by mapping out a Project Management pathway within the ILM Level 4 Certificate in Leadership and Management, we provide project managers with the leadership skills they need to deliver outstanding results.

A City & Guilds Group Business

# ILM Project Management pathway

## Empowering successful project delivery

### Benefits for individuals

- Build knowledge of specialist business areas and best practice project management skills
- Develop a thorough understanding of both operational and strategic planning, making you ready to lead positive change in organisations
- Consolidate your management skills and experience
- Develop budgetary planning and control skills
- Improve problem solving
- Develop the capabilities and personal awareness you need to be a leader
- Accredited your experience with nationally recognised qualifications

### Benefits for employers

- Increased business efficiency and positive impact on the organisation's performance
- Middle managers with an advanced understanding of their role and project management in your organisation
- Middle managers who can assess and improve their own leadership styles and behaviours
- Foster greater innovation
- Employers can work with learners to find the units that best fit individual and organisational requirements
- Managers who can assess and improve their own leadership styles and behaviours
- A qualification customised to close specific project management skills gaps in your organisation.

The ILM Project Management pathway focuses on a specific set of skills and knowledge including managing projects, managing meetings, planning change, budgetary planning and control and problem solving. Upon successful completion of the required units' combination, learners will achieve an ILM Level 4 Certificate in Leadership and Management qualification.

For greater flexibility, you can select the units that best fit individual and organisational requirements.

### ILM Project Management Pathway units

To achieve a Level 4 Certificate in Leadership and Management learners will need to attain a minimum of 13 credits.

#### There are two core units for the project management pathway:

Reference	Unit title	Level	CV*	GLH**	eWorkbook†
8605-511	Managing Projects in the Organisation <b>e</b>	5	4	18	WB9
8605-412	Managing Meetings <b>e</b>	4	3	15	WB5

#### Then choose from the following recommended units (a minimum of 6 additional credits) to complete the project management pathway

Reference	Unit title	Level	CV*	GLH**	eWorkbook†
8605-417	Managing and Implementing Change in the Workplace <b>e</b>	4	6	9	WB7
8605-420	Budgetary Planning and Control <b>e</b>	4	3	6	WB10
8605-416	Solving Problems by Making Effective Decisions in the Workplace <b>e</b>	4	3	14	WB12
